Healthsystems is a Fast 50 Award Finalist for Second Consecutive Year

Tampa, FL — Healthsystems LLC (Healthsystems) — a medical cost management company in the workers' compensation industry specializing in pharmacy, clinical and ancillary benefit management services — is a finalist in the Fast 50 Awards presented by the *Tampa Bay Business Journal*.

Healthsystems is a previous recipient of the Fast 50 Awards and was honored in 2009 with the #2 *Fastest Growing Company in Tampa Bay by Revenue Award* and the #23 *Fastest Growing Company by Percentage of Growth Over the Past 3 Years Award*.

The awards are sponsored by the *Tampa Bay Business Journal*, and financials are verified by an independent Certified Public Accounting firm.

"It is great to be recognized again as a Fast 50 finalist. We owe our company's continued success to the support of our valued customer partnerships in addition to our dedicated and talented employees," stated Daryl Corr, President of Healthsystems.

About Healthsystems

Healthsystems is a specialty provider of innovative medical cost management solutions for the workers' compensation industry. Our comprehensive products include a leading Pharmacy Benefit Management (PBM) program, expert Clinical Services program, and a revolutionary Ancillary Benefits Management (ABM) solution for prospectively managing ancillary medical services. By leveraging powerful technology, clinical expertise and enhanced workflow automation tools, Healthsystems provides clients with flexible programs that reduce the total cost of medical care while increasing the quality of care for injured workers. ::

Expert clinical services. Exceptional technology. Extraordinary results.
