Healthsystems Named #2 Fastest Growing Tampa Company by Revenue Growth

Tampa, FL — Healthsystems, LLC (Healthsystems) — a medical cost management company in the workers' compensation industry specializing in pharmacy, clinical, and ancillary benefits management services — was honored as the #2 Fastest Growing Company in Tampa Bay by highest dollar revenue growth.

The prestigious Fast 50 Awards are sponsored by the *Tampa Bay Business Journal* and the program is designed to recognize the exceptional financial performance of companies in the Tampa Bay market. Hosted by the Journal's publisher, Bridgette Mill, the event was held at the A La Carte Pavilion in Tampa. During the ceremony Mill stated, "I am in awe of what [these companies] have accomplished."

Healthsystems' awards were accepted by Stephanie Narvades, Chief Financial Officer of the company. According to Narvades, "We owe our success to the solid leadership of our owner, Ron Roma and President, Daryl Corr along with our talented and dedicated staff of over 260 employees. It is also the result of the strong partnerships we have built with our valued customers."

Financials for the Fast 50 Awards are verified by an independent Certified Public Accounting firm, Kirkland, Russ, Murphy and Tap. William G. Tapp, Managing Shareholder of the accounting firm stated that "...being selected is more impressive than ever this year."

Healthsystems has continued to experience impressive growth since the company's inception in 2003. Its customers include large insurance payers, government entities, third party administrators and state funds. Led by owner and Chief Executive Officer Ron Roma, the company's focus on innovative technology and real-time processing of workers' compensation pharmacy transactions has attracted some of the largest insurance payers in the country.

##

About Healthsystems

Healthsystems is a specialty provider of innovative medical cost management solutions for the workers' compensation industry. The company's comprehensive products include a leading Pharmacy Benefit

Management (PBM) program, evidence-based Clinical Services program, and a revolutionary Ancillary Benefits Management (ABM) solution for prospectively managing ancillary medical services. By leveraging powerful technology, clinical expertise and enhanced workflow automation tools, Healthsystems provides clients with flexible programs that reduce the total cost of medical care while increasing the quality of care for injured workers. ::

Expert clinical services. Exceptional technology. Extraordinary results.
