Healthsystems Wins Fast 50 Awards

Tampa, FL — Healthsystems LLC (Health**e**systems) — a medical cost management company in the workers' compensation industry specializing in pharmacy, clinical, and ancillary benefits management services — was honored as the #2 Fastest Growing Company in Tampa Bay by Revenue and the #23 Fastest Growing Company by Percentage of Growth over the past 3 years.

The awards were accepted by Todd Piscioti, Vice President of Sales and Marketing at a luncheon held at the A La Carte Pavilion in Tampa. Other Healthsystems executive team members in attendance included Stephanie Narvades, CFO; Markus Waite, CIO; Kristine Kennedy, AVP of Operations & Government Affairs; Matt Collins, VP of Program Management; and Dr. Ralph Kendall, VP of Clinical Services.

The awards were sponsored by the Tampa Bay Business Journal, and financials were verified by an independent Certified Public Accounting firm. Bridgette Mill, Publisher of the Business Journal stressed the significance of this year's award due to the ability of honored companies to overcome the challenges of the economy and continue to succeed at such a high level.

"Healthsystems was able to receive these awards today because of the hard work and dedication of our employees," stated Todd Piscioti during his acceptance speech. "We also owe our company's continued success to our valued customers and the strong partnerships we have formed," expressed Daryl Corr, President of Healthsystems.

Healthsystems is a specialty provider of innovative medical cost management solutions for the workers' compensation industry. The company offers a diverse suite of services including a leading pharmacy benefits management (PBM) and clinical intervention program as well as a prospective adjudication solution for managing ancillary medical services. Leveraging powerful technology, clinically-based outcomes management expertise and enhanced workflow automation tools, Healthsystems provides clients with flexible programs that reduce the total cost of medical care while increasing the quality of care for injured workers. ::

Expert clinical services. Exceptional technology. Extraordinary results.
