Healthesystems**™ Expands Tampa, Florida Corporate Office to Accommodate Business Growth**

Tampa, FL - Health**esystems** LLC (Health**esystems**), a leading provider of medical management solutions for the workers' compensation industry, has expanded the Tampa, Florida corporate office to accommodate their continued business growth. The new location is in the Centerpointe Building located at 5100 W Lemon Street in Tampa, FL.

"Our continued pharmacy benefits management business growth and ancillary medical services adjudication has required us to increase the size of our corporate office to accommodate our expanding employee base" stated Daryl Corr, President of Health**esystems**. "The increased space will also allow us to continue to expand our technology infrastructure which is one of the critical service elements we provide to our customers."

Health**esystems** has additional offices in Tampa, FL as well as Amarillo, TX.

Health**esystems** is a specialty provider of innovative medical cost management solutions for the workers' compensation industry. The company offers a diverse suite of services including a leading pharmacy benefits and clinical management program as well as a prospective adjudication solution for managing ancillary medical services. Leveraging powerful technology, clinically-based outcomes management expertise and enhanced workflow automation tools, Health**esystems** provides clients with flexible programs that reduce the total cost of medical care while increasing the quality of care for injured workers.

Expert clinical services. Exceptional technology. Extraordinary results.
